

SAN GABRIEL VALLEY FOOTBALL OFFICIALS ASSOCIATION

SGVFOA

Dear Announcer:

We are asking each school to have its announcer read the following announcement at its home games at all levels. By doing this we hope to keep recruiting new officials so we can provide the best officials possible for our high school football games.

If you have a passion for the game of football and would like to earn some extra money, consider joining the San Gabriel Valley Football Officials Association and getting out on the football field as an official.

Anyone 18-years or older is eligible to join, and scholarships are available to active and retired military personnel to help pay for dues and uniforms.

Go to www.SGVFOA.com for more information and to sign up, or Google “San Gabriel Valley Football Officials Association”.

Thank you,

San Gabriel Valley Football Officials Association
